Volunteer Opportunities

1 Landscaping/Beautification

These projects can have a significant positive impact on Penn-Mar homes, their residents, and our volunteer teams. By helping to prepare one of our 54 homes in PA and MD for the summer and winter months, you will not only help our small, but mighty facilities team; you and your team will create a comfortable and visually appealing living environment throughout the seasons!

2 Hosting a workplace tour and lunch...

for the people we support can be a wonderful way to foster connections with your community, create mutual understanding, and invest in a more inclusive and supportive community. The people we support are always up for learning and experiencing different workplace environments.

3 Holidays at Penn-Mar...

are a way to come together to create a festive atmosphere for all! While many of the people we support no longer have family to go home to, we make sure those traditions remain present. Holiday parties, Trunk or Treats, Thanksgiving Dinner, Meeting Santa, and End of Summer Cookouts; we enjoy a good celebration! We're excited to invite you to sponsor our upcoming events, while also joining us as volunteers. Our events are all about creating moments filled with smiles, making a direct impact on the people we support, and helping us create wonderful memories together.

4 Field Day

This is a unique and rewarding outdoor volunteer experience. Engage in fun-filled activities alongside the people we support from our Day Learning Center and Residential Programs.

5 Customized Employment

Empowering Individuals for competitive integrated employment. We're proud to be an Employment 1st provider, dedicated to helping individuals forge meaningful paths to employment. Provide coaching, mock interviews, resume review, and mentoring are powerful ways to support people transitioning into new positions and achieving success in their careers. This can significantly boost their confidence, skills, and readiness for their first of many days on the job!
